Based upon the representations made by the Company to the Agency in the Company's application, and subject to the delivery to the Agency of such Supplemental Materials as the Agency may require, and to further confirmation by the Agency upon receipt and review of

same, in connection with the acquisition, construction and equipping of the Facility, the Agency hereby makes the following determinations and findings:

(a) The acquisition, renovation, reconstruction and equipping of the Facility and the financing thereof by the Agency, and the provision of other financial assistance in connection therewith pursuant to the Act: (i) will not result in the removal of an industrial, manufacturing or commercial plant of the Company or any occupant of the Project from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Company or any occupant of the Project except as permitted by the Act; (ii) will promote the job opportunities, health, general prosperity and the economic welfare of the inhabitants of the City and the people of the State and improve their standard of living, and thereby serve the public purposes of the Act; and (iii) is authorized by the Act and will be in furtherance of the policy of the State as set forth therein; and the same is, therefore, approved.

Section 2. The Agency hereby finds and determines that this Resolution constitutes a determination of compliance with technical requirements within the meaning of Section 6.17.5(c)(28) of the DEC Regulations and does not constitute, and shall not be deemed to constitute an approval by the Agency of the Project for the purpose of SEQRA.

Section 3. Subject to the other terms of this Resolution, the Agency, in its discretion, will provide such Financial Assistance as may be permitted by law and may be suitable to advance the Project, including exemptions from sales and use tax and a partial abatement of real property taxes, which will not deviate from the Uniform Tax Exemption Policy of the Agency, all to be more particularly described in a final authorizing resolution to be adopted by the Agency prior to the closing of the transactions described herein.

Section 4. The granting of the Financial Assistance, as contemplated by Section 3 of this Resolution, shall be subject to, inter alia:

(b) the Agency shall give notice of and hold a public hearing with respect to the Project in accordance with Section 859-a of the Act; and

(c) the Company's receipt of all State and local permits and approvals to undertake the Project; and

(d) the review of the Project by the Agency pursuant to SEQRA, and compliance by the Agency with all applicable terms and conditions of SEQRA and the DEC Regulations in respect of the Project; and

(e) the Agency’s adoption of a final Authorizing Resolution authorizing the undertaking of the Project, the granting of the Financial Assistance by the Agency, and the form and content of the proposed instruments and agreements governing the terms and conditions of the Project (the “Project Agreements”); and

(f) the obligations of the Agency under the Project Agreements shall be special, limited obligations of the Agency payable solely from the receipts and income of the Project and the Facility, and the Agency shall in no way be liable for the payment of the costs of the Project or any other amount owed by the Company.

Section 5. The members, representatives and agents of the Agency are hereby authorized, in accordance with Section 859-a of the Act, to give notice of and to hold a public hearing with respect to the Project.
